NAIL ENHANCEMENT

Full set using OPI Absolute Acrylic System

Artificial nails are applied to all fingers, then filled and shaped to appear completely natural. Perfect if you are unhappy with the length or strength of your natural nails. We use techniques such as nail tipping, sculptured nails and acrylic-gel overlays.

- Acrylic nails with Nail polish / Gel finish _____ **\$55 / \$68**
- Pink and white (also known as forever French) _____ **\$85**
- Acrylic on toes with polish / gel _____ **\$65 / \$78**

Rebalancing (backfill)

Required every 2-3 weeks as the natural nail grows; new nail plate appears at the cuticle creating a gap between the cuticle and the nail enhancement. The enhancement starts to look unnatural, becoming unbalanced and its more likely to break, and/or crack. Rebalancing involves infilling the new growth area and re-shaping the nail to strengthen it and return it to its natural appearance.
